ABOUT US

Sea World shipping services was instituted in Sohar, Oman , when the wheel was steered for the first time. From there it has cruised steadily and indubitably to become one of the best shipping company in Oman which is 100% Omani company with zeal and corporate dynamism to all its clients.

Sea World Shipping Services offers simple yet economical and superior Shipping and logistics solutions to its clients, through a network of its own offices in Oman, Singapore and UAE. Geographical expansion has always been the keynote to Sea World Shipping Services corporate strategy. Through sheer large volumes of vessels handled by Sea World shipping, with utmost tactfulness, efficiency and care, we have been able to generate economics in scale which in turn evolved to competitive rates for our valued clients. Our increasing market share and continual support from our long-standing clients and new clientele bear a testimony to our success and growth. Striding through this highly competitive world of shipping, where cost, efficiency and speed of delivery are important ingredients to customer satisfaction Sea World Shipping have supplemented key measures of service, based on its experience and supported with highly technological back-end support systems and innovative amenities. Quite justifiably all this has been possible with the help and support of its highly experienced and committed staff. Sea World shipping's meet the most demanding deadlines and service requirements by offering professional assistance and guidance at highly competitive rates and unceasing commitment to the overall customer satisfaction. We believe that we are geared to unprecedented growth which any organization would cherish. Trust us for –

HIGHLIGHTS

DRY DOCK :Offshore Ship Supply Services & crew, changes by our own fleet of crew-boats, Information on and liaison with repair companies Customs Clearance & delivery, including storage if, required of stores and spare, Arranging and liaison of various surveys, De-ratting and fumigation, In-house technical expertise, Magnetic compass adjustment, Supply of items like grit, paints, electrodes etc. Supply of deck, engine, saloon stores and provisions, Supply of fresh water by road tankers or by barges, Arranging de-slopping. **SUPPORTS:** We take pleasure in introducing our expertise, in handling your ship and her requirements, 24 hours a day, 365 days a year at all times at OMAN, Dry docks. We have excellent relationships with the dry dock personnel, our agency staff are well qualified and experienced in dry dock representation.

Hull Cleaning : A well-cleaned and property-maintained hull results in huge fuel savings. But, because of the environmental hazards this treatment posed, Nowadays, a different form of anti-fouling is used which is hospitable to fouling organisms and it only requires regular underwater cleaning. We are equipped with new-generation hull cleaning equipment. The underwater hull cleaning vehicle is the first of its kind in Oman. This device is based on Three counter rotating brushes capable of creating a suction force of several hundred kilograms.

TANKER, STS & BULK SERVICES : We provide full port agency services through our unique local network and selected partners. Our services are designed exclusively around the needs of our customers which comprises of proficient tanker and dry cargo agency, fully outsourced solutions managed through our dedicated owned offices in UAE and Oman region, excellent local authority association and steadfast professional team
